Dear Fundraising Coordinator,

We, here at The Historic Mt. Rainier Railroad Dining Co., would like you to consider us for your fundraising efforts. Our fundraising program is an enjoyable time and profitable. We call it "Railroad Nights." The Mt. Rainier Railroad Dining Co. will donate 20% of your organization's proceeds, spent here at the restaurant, back to you. All you have to do is invite your guests!

To schedule a fundraiser night you will need to contact the Manager who will give you a selection of available dates. You may choose from Monday thru Thursday between 4pm and 9pm. Normal dining hours will still occur. Once you have set a date with us, we will provide flyers stating: 20% of your group's dining sales will be donated back to your organization. Your guests will need to present the flyer to their server on the event night. At the end of the night we will have your grand total and your will be sent a check.

Your responsibility is to hand out flyers to your group and invite them to dine in and enjoy your Fundraiser Night here at the Historic Mt. Rainier Railroad Dining Co. ***Please note, flyers are to be handed out prior to your event night and not at the restaurant.***

We will be happy to print as many flyers as needed to announce the event. Please allow a few weeks prior of the event for advertising. This helps get your fundraiser event on the calendar.

Mt. Rainier Railroad Dining Co. looks forward to be working with you and your organization. We are looking forward to your phone call!

Thank you,
Elisa Fruzzetti
Mt. Rainier Railroad Dining Co. Management
